

# The Official Cliff Walk Map

## WELCOME TO CLIFF WALK

Cliff Walk is world famous as a public access walk and trail that combines the natural beauty of the Newport shoreline with the architectural history of Newport's famed Gilded Age.

Cliff Walk is unique: the only National Recreational Trail set within a National Historic District.

The Walk is 3.5 miles one way. South of Ruggles Avenue, the Walk becomes progressively more challenging, often becoming an undefined trail over jagged rocks and boulders. Sturdy shoes are recommended. As you travel north to south, you will find exits from the walk at Narragansett Ave., Webster St., Shepard Ave., Ruggles Ave., Marine Ave., and Ledge Rd. There are also many bus stops along the way that will return you to the Newport Visitor's Center.

Along the Walk you'll find 16 Trail Markers that describe points of interest. Use your smart phone to scan the QR codes found on each marker, or download the free app at: [www.citimaps.com/newport](http://www.citimaps.com/newport) or just type VisitNewport into the Apple App store or Google Play to download.
